Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$250 individual/\$750 family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Primary care physician</a> and <a href="#">specialist</a> office visits are covered, as well as covered <a href="#">prescription drugs</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <a href="#">in-network providers</a> \$2,000 individual/\$6,000 family; for <a href="#">out-of-network providers</a> \$6,000 individual/ \$18,000 per family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met. Under the No Surprises Act cost-sharing at certain <a href="#">out-of-network providers</a> applies to the <a href="#">out-of-pocket limit</a> .
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Copayments</a> for certain services, <a href="#">premiums</a> , <a href="#">deductibles</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover. Refer to Section 3.16.C of the Plan Document.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limits</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call 800-810-2583 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
